From the Principal's Desk

In retrospect, I am reminded of the establishment of Upendra Nath Brahma College, which came into existence in the year 2001, thanks to the efforts and contribution of the academia of the area, well-wishers of the society and stakeholders who made it possible with their conception and confidence to establish it as an institution of higher education in the area.

I am really honoured and feel very privileged to function as the Principal of this institution of higher education. Let me take this opportunity to thank the previous Management /Governing body of this college for giving me the opportunity to serve the society here in this recently constituted district of BTC, Assam. The college passed through tough phases in the beginning and gradually became a leading institution through its experiments and enriched experiences. We have gradually been able to expand different range of courses both in Arts & Commerce to cater to the emerging needs of students, enabling them to meet the present competitive challenges.

The college has already overcome considerable material limitations, but still it has a long way to go as our attempt is to continuously upgrade ourselves. We are confident of achieving our goal with the collective effort of our learned faculty members, non-teaching staff, students, parents and all those who tirelessly work behind the scene. In order to accomplish our vision and Mission, we are prepared to take as much efforts as possible. We believe education is effective medium of social transformation and up-gradation. We too firmly believe on Nelson Mandela's saying that "Education is the most powerful weapon which you can use to change the world".

It is a matter of pleasure to extend a warm and heartiest welcome to all the prospective students to enroll themselves under different disciplines being offered in this higher educational institution of the BTC Region, Assam and equip themselves with rich experience imbibed through their on and off class interface with our enlightened faculty members; well equipped library and other facilities.

Students bring strength and vitality to the life of a college. I look forward to their achievements and attainments in the larger sphere of their life.

BACKGROUND OF THE COLLEGE

Upendra Nath Brahma College is the only full fledged three years Degree College in the heart of Kajalgaon, the district headquarter of Chirang. Kajalgaon once a sleepy hemlet of Assam, shot into sudden prominence when it was declared a district headquarter of Chirang as a result of the formation of Bodoland Territorial Council in the year 2003.

At a time when the society was taken over by poverty, illiteracy, ignorance, superstition and other nasty and immoral acts it is the selfless and untiring effort of some enthusiastic intellectuals, educationists, social workers and the common people of the locality to realise the urgency of the hour and the need of an ideal educational institution. As a result of it, the college was established in the year 2001 in the name of Upendra Nath Brahma, the father of the Bodos, for realising his dreams, aspirations and philosophies to be a noble being.

The College was lucky enough to have the services of Dr. Dinanath Basumatary, the first Principal who dedicated himself and made many sacrifices to make the college a worthy institution of higher learning. It is worth mentioning to record the services of Dr. Nilpadmini Rabha, present Principal of the college who came forward to serve this institution at a time when its future was uncertain at the nascent time.
