Four Year Under-Graduate Programmes (FYUGP)
Arts & Commerce

From the Principal's Desk

In retrospect, I am reminded of the establishment of Upendra Nath Brahma College which came into existence in the year 2001, thanks to the selfless efforts and contribution of the academia of the area, common people, well-wishers of the society and stakeholders who made it possible with their conception and confidence to establish it as an institution of higher education in the area.

I am really honoured and feel very privileged to function as the Principal of this institution of higher education which has been established after the name of 'Bodofa; Upendra Nath Brahma' for realizing his dreams, aspirations and philosophies to be a noble being. Hence as a result, today the society has owned this only Institution of Higher Education in Kajalgaon, the district headquarters of Chirang district.

The college passed through tough phases in the beginning and gradually became a leading institution through its experiments and enriched experiences. We have gradually been able to expand different range of courses both in Arts & Commerce to cater to the emerging needs of students, enabling them to meet the present competitive challenges. Presently the college has been recognized by UGC New Delhi, Ministry of HRD under Section 2 (F) and 12(B) of the UGC Act, 1956 and provincialised by Govt. of Assam w.e.f. 01-01-2021. The College has achieved another milestone with its 1st Cycle Accreditation by NAAC.

I extend my greetings to new-comers, guardians, well-wishers and all faculty members and staffs whose co-operation is highly welcomed for transforming this institution better than it used to be and mark our growth. We do try to work hard for the upliftment and bright future of our students.

(Dr. Nilpadmini Rabha)

BACKGROUND OF THE COLLEGE

Upendra Nath Brahma College is the only full fledged three years Degree College in the heart of Kajalgaon, the district headquarter of Chirang. Kajalgaon once a sleepy hemlet of Assam, shot into sudden prominence when it was declared a district headquarter of Chirang as a result of the formation of Bodoland Territorial Council in the year 2003.

At a time when the society was taken over by poverty, illiteracy, ignorance, superstition and other nasty and immoral acts it is the selfless and untiring effort of some enthusiastic intellectuals, educationists, social workers and the common people of the locality to realise the urgency of the hour and the need of an ideal educational institution. As a result of it, the college was established in the year 2001 in the name of Upendra Nath Brahma, the father of the Bodos, for realising his dreams, aspirations and philosophies to be a noble being.
